

St Laurence's Church

Called by Jesus to be disciples who make disciples

We're part of the Church of England in the Diocese of Coventry. Our shared mission together is Worshipping God, Making New Disciples & Transforming Communities.

As a church, we live out this vision & mission through our 3 core values:

Called to Worship

We want Jesus to be at the centre of all who we are and all that we do. We prioritise rhythms of worship, prayer and engaging with the Bible, where encounter the Father's love and are changed by the Holy Spirit's transforming presence amongst us. We commit ourselves to hearing God's call on our lives and encourage each other to step out in faithful and loving obedience as a response to his goodness to us.

Called to Community

We are called to live as an extended family where everyone is welcomed. We intentionally pursue deeper and loving relationships with each other, encouraging each other to grow as disciples on a shared journey of adventure and faith. We eat meals together, we forgive each other when things go wrong and we have lots of fun! We welcome new people and invite them to learn together what it means to be disciples of Jesus, through baptism and confirmation, and shared commitment to serving each other.

Called to Mission

We shape our lives towards God's call to be a missionary people. We make our time, our efforts and our money available for God to use us to share the good news of the gospel through our words, our actions and our love, especially towards the hurting, the broken and the lost. We choose to play our seemingly small, yet hugely significant part in welcoming those at the beginning of their faith journey to discover and grow in life with God, and we look to join in with the work of the Holy Spirit in the transformation of our community, our city and our world.
