6. Finance Report
 - a. AR advised that the 2021 had not been approved, however 2021 and 2022 finance has now both been approved. Income is down, this is due to grants we had in the previous year. This could be due to hall closure and Gayer

Street being empty due to the refurbishment, we should see an increase in the next years finance. AR advised that there will be some money that will need to be spent due to repairs within the church and hall, also advised of the new system Expense Plus, which is an absolute God Send and all the hard work was worth it. AR talked about Giving and to either speak to GI or AR. Confirmed that we are in the process of safer recruiting Treasurer. TB asked what the difference was between restricted and unrestricted and PDY asked if the Treasurer role was paid or volunteered and MG asked about how the technology was working regarding Giving.

b. Appointment of Independent Examiner for 2023 accounts

MD nominated that Gavin Kibble to be our Independent Examiner.
